Hi all- I forgot to send this one over to have it drafted so I apologize for the rush since it's a budget amendment. It's an earmark we've done a number of times. It's an earmark from the recreational boating grant program (appropriation 20.270(5)(cq)).

NATURAL RESOURCES -- ENVIRONMENTAL QUALITY

Southeastern Wisconsin Fox River Commission

Motion:

Move to direct DNR to provide a grant for \$200,000 in 2013-14 from the recreational boating aids grant program to the Southeastern Wisconsin Fox River Commission to support ongoing activities consistent with the organization's implementation plan, including: (a) initiating and coordinating surveys and research projects relating to the Southeastern Wisconsin Fox River Basin; (b) acting as a liaison between federal, state, and local agencies, and other organizations involved in protecting, rehabilitating, and managing water resources; and (c) providing public information relating to the Southeastern Wisconsin Fox River.

Note:

The Southeastern Wisconsin Fox River Commission was created in 1997 in order to address water resource concerns within the river system. The \$200,000 provided under the motion would bring to \$1,475,000 the total amount provided to the commission from the water resources account since its creation.

Subject: Draft 0299/1 Southeastern Fox

Importance: High

Robin – I need a change on draft 0299/1. The motion specifies that this funding should be in fiscal year 2013-14, not in the 2013-15 biennium.

So, on page 2 of the draft, line 14, instead of “in the 2013-15 fiscal biennium”, it should read “in fiscal year 2013-14”.

Thanks!
